**Re: United States v. Rodriguez, Jr., 22-cr-00023
Request for Extension / Continuance For
Attorney to Submit Reply**

Dear District Judge Mariani:

I am writing to request an extension or continuance so my attorney William Watt can submit a Reply brief on my behalf to the prosecutor's Brief in opposition.

I believe from the rules concerning motions the reply must be submitted within 14 days. I sent numerous messages through my family to my attorney but have not heard from my attorney or talked to my attorney on the issues involved. There appears to be a communication problem.

I do not want to miss having the Reply brief submitted on my behalf. Can you please grant my attorney an extension to submit my Reply brief and have my attorney contact me. Thank you your honor.
